

Trivia Happy Hour March 30th, 2021 Sponsorship Opportunities

About Our Organizations

Water Education Colorado is a 501c3 nonprofit providing policy-neutral news and informational resources, engaging learning experiences, and empowering leadership programs. We work statewide to ensure Coloradans are knowledgeable about key water issues and equipped to make smart decisions for a sustainable water future.

The Colorado Water Trust is a home-grown, statewide 501c(3) nonprofit organization. Since 2001, we've restored 13.5 billion gallons of water to 588 miles of rivers and streams across the state. We work collaboratively with our partners so that our projects benefit both the people we work with and our rivers.

Trivia sponsorship covers costs for prizes for our winning teams and shows your support for WEco and the Colorado Water Trust to a large group of people within the water community!

Event Overview

Trivia Happy Hour is an event co-hosted by our organizations with the purpose of bringing people together in the name of Colorado water (and friendly competition)! The event is attended by 80-100 participants from around the state. Typically held in person, we've transitioned this event into a virtual format. Trivia sponsorship offers your organization great brand recognition to a dedicated group of professionals within the water and environmental communities in Colorado as well as the chance to make great new connections with members and supporters of both WEco and the Colorado Water Trust!
