

2023 WATER LEADERS PROGRAM

Sponsorship Opportunities

Water Education Colorado is a 501c3 nonprofit providing policy-neutral news and informational resources, engaging learning experiences, and empowering leadership programs. We work statewide to ensure Coloradans are knowledgeable about key water issues and equipped to make smart decisions for a sustainable water future.

Why Water Leaders?

Water Education Colorado's Water Leaders program positively impacts the Colorado water profession by developing a pipeline of dedicated, effective water leaders across diverse fields ready to chart the path forward to innovative and collaborative water solutions in an increasingly complex world. Participation is based on a competitive application process, in which 16 candidates are selected each year. The program has graduated over 220 leaders since 2006.

Why Become a Program Sponsor?

- ⇒ Move beyond networking and build meaningful relationships with tomorrow's Water Leaders.
- ⇒ Position your organization as an industry leader committed to the future of water in Colorado.
- ⇒ Bring value to your organization by supporting Colorado's premier leadership development program for the water sector.
- ⇒ Help WEco keep program fees low and make scholarships available to qualified applicants who otherwise would find it difficult to participate.
