

2024 Water Fluency Program Sponsorship Opportunities

Water Education Colorado is a 501c3 nonprofit providing policy-neutral news and informational resources, engaging learning experiences, and empowering leadership programs. We work statewide to ensure Coloradans are knowledgeable about key water issues and equipped to make smart decisions for a sustainable water future.

Water Fluency

The Water Fluency program provides participants with a practical understanding of Colorado water resource issues and the related implications to local decision-making processes. Participants learn through four full program days with highly sought-out lectures, discussions, exclusive access to water sector leaders, breakout networking opportunities, and intersession assignments. They leave equipped with new knowledge and a network of peers to help create lasting, positive change in their communities. Class size is capped at 35.

Audience

Primary audiences include local and state elected officials, special district staff and board members, local government and business leaders, agency and utility staff, agricultural and nonprofit leaders, and university professors.
